Perfect for families

The Luciole Activity Cruise blends cruising the glorious Nivernais Canal in Burgundy, with exciting activities.

Schedules are bespoke and alternative activities can easily be arranged, as well as excursions for the slightly less active!

Bikes for all ages are kept on board. The towpath beside the canal is ideal for cycling or walking. There are also plenty of opportunities to swim in the River Yonne.

Special diets are catered for by our talented chef. Alternative meal times can be arranged for young children.

Our crew of six blends experience with enthusiasm, to create the warm and welcoming atmosphere with which the Luciole is renowned.
